

Lessico frequenziale, basato sul *Vocabulaire de base du latin*, pubblicato nel 1984 da un'équipe di Besançon (A.R.E.L.A.B.) che si è avvalsa del *Dictionnaire fréquentiel* pubblicato dal gruppo LASLA di Liegi nel 1981. Sono considerate note (ed evidenziate con asterisco) le preposizioni, le congiunzioni, i più comuni verbi irregolari, i pronomi ecc, tutti quei termini, cioè, che si ritiene siano appresi nell'ambito del *syllabus* della disciplina nei diversi tipi di liceo. È segnato il limite dell'A1 (400 parole più quelle date per note) e dell'A2 (800 conteggiate con lo stesso criterio). Si ritengono altresì conosciuti i vocaboli dal significato trasparente ad un parlante italiano nativo o quelli che vengono appresi subito nei più comuni manuali scolastici (vedi *puella, puer* ecc).
